DATE: 7TH JUNE,2006

P.C.

. Considering the affidavit of Commander Damodaran Pillai Ananth Kumar more specifically the averments in paragraph 8, we do not think any case has been made out by the petitioner for granting the relief as prayed for. It has clearly been set out that the case of the petitioner was considered. However, considering his record and also the sanctioned strength of the past it is not possible to re-engage the petitioner. Considering the above, no case is made out for grant of relief. Motion

rejected.

. Needless to say that these observations are considering the case of the petitioner for being re-engaged.
